This meeting is concerned with the preliminary Digital Flood Insurance Rate Map panels which have been previously mailed to the communities. The local officials of the county and the city are cordially invited to the session. The meeting will be held on the following date / time and at the following location:

Date	Time	Location
August 11	1:00 p.m.	Administrative Building, Board Room 329 Ratliff Street Lucedale, MS 39452

I am requesting that the appropriate Board Supervisor, Mayor, Alderman, Community Engineer, Community Administrator, Community Planner, GIS staff, and any other appropriate person(s) attend the briefing. This is not a public meeting. We propose a one-hour session, which will inform the local officials of the method in which the state of Mississippi updated the community panels.
