FEMA Map Service Center  

This map was produced through the Mississippi Flood Map Modernization Initiative, a cooperative partnership between the State of Mississippi and Department of Homeland Security, Federal Emergency Management Agency (FEMA). This product is intended for flood insurance rating purposes only and should not be used as the sole source of information for the flood hazard in any jurisdiction or community. The map is based on publicly available data and information, and was compiled to the best of the knowledge and ability of the National Geospatial-Intelligence Agency (NGA). The map may be used for any purpose permitted by the Freedom of Information Act (5 U.S.C. 552) and the National Environmental Policy Act (42 U.S.C. 4321 et seq.).
