Areas determined to be outside the 0.2% annual chance floodplain. Map Number A2180000 FT shown on this map apply only landward of 0.0'.

Coastal flood zone with velocity hazard (wave action); no Base Flood Elevations shown on this map are based on the best data available at the time of publication. Flood elevations on this map are referenced to the North American Vertical Datum of 1988.

FEMA will revise the flood hazard and risk information for this area to reflect dependence on data submitted by a community if the community is required to submit the data and documentation necessary to comply with NFIP requirements.
