NOTE TO USER

Future revisions to this FIRM Index will only be issued to communities that are located on FIRM panels being revised. This FIRM index directive remains valid for FIRM panels dated (2004) or earlier. Please refer to the "MOST RECENT FIRM PANEL DATE" column on the Listing of Communities table to determine the most recent FIRM Index date for each community.

NOTE TO USERS

FEMA maintains information about map features, such as street locations and names, in a database designed to support the production of FIRM panels. This information is not included in the database maintained for the listing of communities. Information that is in a database maintained for the listing of communities may not be converted to the database maintained for the listing of communities. These may be ordered directly from the FEMA Map Information eXchange (MIX) website at http://msc.fema.gov.

Future revisions to this FIRM Index will only be issued to areas that are located on FIRM panels being revised. This FIRM index directive remains valid for FIRM panels dated (2004) or earlier. Please refer to the "MOST RECENT FIRM PANEL DATE" column on the Listing of Communities table to determine the most recent FIRM Index date for each community.
