NOTES TO USERS

This map is to be used in administering the National Flood Insurance Program. It shows the flood hazard areas and flood elevations and is designed to provide a 

1% annual chance floodplain.

If you have questions about this map or questions concerning the National Flood Insurance Program, please contact your Adjuster as stated below.

elevation in feet*

EL 23 or EL 22

If a structure is located in a flood hazard area, the structure owner or mortgagor is required to purchase flood insurance. See Section 2.4 for information on flood protection measures.
