NOTES TO USERS

The map is for general use only and is not intended for legal purposes. The accuracy of the Federal Emergency Management Agency (FEMA) Flood Insurance Rate Map (FIRM) data is limited. A map user should not rely on any data for decision-making purposes without first consulting the data source. The FIRM was created using data from various government agencies. The information is subject to change. For current data, visit the FEMA National Flood Insurance Program website at http://www.fema.gov.

The FIRM data is intended for the following purposes:

- To aid in the development of floodplain management regulations and floodway protection systems.
- To aid in the development of flood insurance rate maps.
- To aid in the development of floodway and floodplain management regulations.
- To aid in the development of floodplain management regulations.
- To aid in the development of floodplain management regulations.
- To aid in the development of floodplain management regulations.
