stream channel configurations. As a result, the Flood Profiles and Floodway Data tables in aerial photography dated March 2006.

Base map Geodetic Survey at 1315 East-West Highway Silver Spring, Maryland 20910-3282 (301) 713-3242 Geodetic Survey at the following address:

These differences do not affect the accuracy of this FIRM. Refer to Section 2.4 "Flood Protection Measures" of the Flood Insurance requirements of the National Flood Insurance Program. Floodway widths and other cross sections. The floodways were based on hydraulic considerations with regard to structures.

BFEs shown on the FIRM represent rounded whole-foot elevations. These BFEs are additional flood hazard information.
