NOTES TO USERS

The map shown on this panel is the Flood Insurance Rate Map (FIRM) for Panola County, Mississippi. A FIRM shows the floodplain and flood hazard information for a specific community.

To obtain a copy of the FIRM for this community, contact your insurance agent or call 1-800-358-9687. You may also visit the FEMA website at http://www.fema.gov/business/nfip/ and view the National Flood Insurance Program (NFIP) information. To verify current corporate limit locations, contact the appropriate local government agency.

This map was produced through the Mississippi Flood Map Modernization Initiative, a cooperative partnership between the State of Mississippi and the Federal Emergency Management Agency (FEMA) to improve the accuracy and reliability of flood hazard information in Mississippi communities.

The flood elevations shown on this map were determined using the National Geodetic Vertical Datum of 1929 and the North American Vertical Datum of 1988. These elevations are intended for flood insurance rating purposes only and should not be used as the sole source of flood elevation information.

Flood elevations shown on this map apply only landward of 0.0' vertical datum. Elevations shown in the Summary of Stillwater Elevations table should be reviewed in conjunction with the Vertical Datum used in this FIRM.

Coastal flood zone with velocity hazard (wave action); Base Flood Elevations determined. To determine if flood insurance is available in this community, contact your insurance agent or call 1-800-358-9687.
