NOTES TO USERS

This map is the product of the Flood Insurance Rate Map (FIRM) Program. It does not indicate the overall quality of the natural landscape, or the structural quality of any development shown on the map. It is not a substitute for local property records. For information regarding the flood hazard and flood insurance rates in effect for this community, contact your insurance agent or call the Federal Insurance and Mitigation Administration (FIMA) at 1-800-358-9616. (See front page of this map for map address and telephone number.)

For a map of the area in a smaller scale, please contact the State of Mississippi, Department of Insurance, Division of Insurance, 3700 North State Highway 16, Suite 300, Pearl, MS 39208, or call 1-800-737-5002. 

Please refer to the separately printed Flood Insurance Study report for additional flood hazard information.

The map was prepared by

National Oceanic and Atmospheric Administration
National Geodetic Survey
NOAA Technical Memorandum NOS NGS-16

Effective Date(s) of Revision(s) to this Map Panel

Refer to Map Repositories List on Map Index

Date of Effective Date(s)

Gulfport, MS 39502

FIRM PANEL LOCATOR

SUNFLOWER COUNTY AND INCORPORATED COMMUNITIES
FIRM PANEL LOCATOR

Additional Flood Hazard Information

For information regarding conversion between the National Geodetic Vertical Datum of 1929 and the North American Vertical Datum of 1988, visit the National Geodetic Survey web site at http://www.ngs.noaa.gov.

To determine if flood insurance is available in this community, contact your insurance agent or call the Federal Insurance and Mitigation Administration (FIMA) at 1-800-358-9616. (See front page of this map for map address and telephone number.)

For community map revision history prior to countywide mapping, refer to the Community Map Revision History Report. Additional flood hazard information may be obtained from the Flood Insurance Study report (which contains authoritative hydraulic data). Such reports are available at no charge from the Flood Insurance Study Division of the Federal Insurance and Mitigation Administration (FIMA) or through State and local floodplain management agencies.

Use of Flood Profiles and Community Numbers

Available products may be purchased from the National Flood Insurance Program, FEMA 508F, 1315 East-West Highway, Washington, DC 20426, or call 1-800-358-9616. Current corporate limit locations may be verified through the FEMA Map Service Center at 1-800-358-9616. The FEMA Map Service Center may also be reached by Fax at 1-877-426-8058. The Community Map Revision History Report is also available via the Community Map Repository. The Community Map Repository address may be found in the Flood Profiles and Community Numbers publication. Because changes due to annexations or de-annexations may have occurred since the map was prepared, the most current corporate limit locations should be verified in the Community Map Revision History Report.

Elevation Reference Marks

As elevation reference marks, the map uses

1 foot (0.3048 meter) centers
0.5 foot (0.1524 meter) centers

The map was prepared by

National Oceanic and Atmospheric Administration
National Geodetic Survey
NOAA Technical Memorandum NOS NGS-16
