This map was produced through the Mississippi Flood Map Modernization Initiative, a joint effort of the Federal Emergency Management Agency (FEMA) and the National Geodetic Survey (NGS). The map is intended to help communities understand and prepare for flood risk as part of the National Flood Insurance Program (NFIP). It shows Special Flood Hazard Areas (SFHAs) identified on the Flood Insurance Rate Map (FIRM) for Tallahatchie County, Mississippi.

### Map Details
- **Scale**: 1" = 500' for a detailed view.
- **Date of Revision**: SEP 1, 2023
- **Projection**: State Plane Mississippi West FIPS Zone (FIPSZONE = 2301), Transverse Mercator projection
- **Datum**: North American Datum of 1983 (NAD83)
- **Vertical Datum**: North American Vertical Datum of 1988 (NAVD88)

### Flood Hazard Areas
- **Zone A**: Areas subject to flooding by the 1% annual chance flood (100-year flood).
- **Zone VE**: Special Flood Hazard Area formerly protected from the 1% annual chance flood by a flood control structure (now being restored).
- **Zone X**: Areas in which flood hazards are undetermined, but possible.
- **Zone AO**: Special Flood Hazard Area formerly protected from the 1% annual chance flood by a flood control structure (now being restored). Areas in which flood hazards are undetermined.
- **Zone AR**: Areas in which flood hazards are undetermined, but possible. Areas in which flood hazards are undetermined.
- **Zone AE**: Special Flood Hazard Area formerly protected from the 1% annual chance flood by a flood control structure (now being restored). Areas in which flood hazards are undetermined.
- **Zone AO**: Areas in which flood hazards are undetermined.

### Additional Information
- **Elevation Reference Marks**: Bench marks and level points are placed at specific locations to help in the determination of elevation data.
- **Legend**: Descriptions of symbols and colors used on the map.

### Notes to Users
- The map is intended for use by communities and individuals to understand flood risk and to plan for floodplain management.
- Contact the National Flood Insurance Program at 1-800-638-6620 for more information.
- Visit the FEMA website at http://www.fema.gov/business/nfip/ for digital versions of this map.

### Acknowledgments
- Special thanks to the Joint Floodplain Mapping Task Force for their contribution to the creation of this map.
- This map was produced in cooperation with the Tallahatchie County Engineering Department and the Tallahatchie County Planning Commission.

### Additional Resources
- **Other Flood Areas**
- **Coastal Barrier Resources System (CBRS) Areas**
- **Other Areas**
- **Behavioral Protections Area (BPA)**
- **Floodway Data and/or Summary of Stillwater Elevations**

This map is intended to be used with the Floodway Data and/or Summary of Stillwater Elevations tables contained within the Flood Insurance Study report and the FIRM for purposes of construction and/or floodplain management.
