NOTES TO USERS

This map is for use in understanding the National Flood Insurance Program. It does not supersede Federal Emergency Management Agency (FEMA) policy and should not be used for determining flood hazard or insurance rate purposes. This map is not a substitute for legal floodplain management requirements and flood insurance policies. The accuracy of information on this map may vary. Accuracy of information shown on this map is limited to 1 meter (3.3 feet). Special Flood Hazard Areas (SFHAs) are delineated in accordance with Section 808 of the National Flood Insurance Act of 1968 (Public Law No. 90-448), as amended and interpreted by the Federal Emergency Management Agency (FEMA). The Flood Insurance Study (FIS) report for this jurisdiction includes all data and information used to determine the map areas shown on this FIRM. Special Flood Hazard Areas are classified as Type I, Type II, or Type III. For more information, please visit http://www.fema.gov.
