**NOTES TO USERS**

This map is to be used as a reference for the Flood Insurance Program. It does not include all areas that may be affected by flooding. For more specific information, contact your insurance agent or call 1-800-358-9687. For community map revision history prior to countywide mapping, refer to the Community Map Repositories List on Map Index.

**LOCAL RIVER DATA**

This map reflects current data and is not intended as an engineering configuration for flood control. The map should be used in conjunction with the FIS report. This information was photogrammetrically compiled at a scale of 1:400 from aerial photography taken in 1987-88. Additional flood hazard information is available on the internet at www.fema.gov.

**LEGEND**

FIRM Delineates areas classified as Special Flood Hazard Areas (SFHA) and shows Flood Insurance Rate Map (FIRM) Effective Date and other information. FIRM metrics were computed as of June 1988, using Model 3-D Digital Elevation Model (DEM) from SRTM, and are not accurate using any other data source. For more specific information, contact your insurance agent or call 1-800-358-9687. The National Flood Insurance Program at 1-800-358-9687. To determine if flood insurance is available in this community, contact your insurance agent or call 1-800-358-9687. For community map revision history prior to countywide mapping, refer to the Community Map Repositories List on Map Index.
